## 1. Chapter 1

**\*\*Okay, so I'll probably update on the weekends. Probably. Well, here, Emma's back. Zikki never broke up. I don't own pjato or h20.\*\***

Bella

We were swimming. I smiled at all the fish. They looked beautiful. Suddenly, we heard a noise. We turned around, and right in front of us was an animal. It looked like a shark but it wasn't. It looked like a monster, and it wanted to eat us. We swam as fast as we could, for a long time, and finally lost it. My body was tired, and I felt numb. We swam onto a place, and Rikki dried us off. The others were visibly tired, too. At least the rest of our families had left for the summer. They wouldn't know we were gone. But what about the boys? And Will? We had to call them. I told the girls what I was thinking. They nodded. We took out our phones and each called a boy. I called Will.

"Bella, where are you? Rikki's can't find a singer."

"Will, I can't be there. I was swimming with the girls, and something chased us—we came into this city, I think it's New York."

"Um, I'll talk to the boys about this, I don't know what to do, but we'll get you out before your parents come."

"Thanks. I—" then I was interrupted by a yelp. "I'll call you later, I finished. I turned around and saw a familiar blonde with gray eyes. She was looking at me with wide eyes."

"Bella?" I stared at her. Was it really her?

"Annabeth?"

**\*\*A/N i know it's short but i'm evil and making a cliffhanger. i want at least 3 reviews before i update.\*\***

I was walking towards camp when I saw a monster. I killed it and ran in the direction it was going to. I saw four girls using their phones. \_So that's why it found them,\_ I thought. Their phones. I looked at them and yelped. They turned around and hung up. But I stared at one girl.

"Bella?"

"Annabeth?" so she remembered me. She should, since we were friends for four years. I broke into a grin.

"Are you gonna tell me who your friends are or will I have to ask them?" I asked. She stuck her tongue out at me.

"This is Rikki, Emma, and Cleo." They all waved at me.

"So, how do you know each other?" Emma asked. Bella answered this time.

"We went to school together when we were little. Then I had to move away." I nodded and asked if they wanted to come to my camp. They said yes, and as soon as we got to camp, people bombarded me with questions. I didn't want to answer anybody, and Percy came to my rescue.

"Guys! Annabeth obviously isn't the only one who just got here. Let her be and welcome the newcomers." My eyes found Thalia. She gave me a quick hug.

"Have you told them yet?" I shook my head.
